OFFICE OF ADMINISTRATIVE SERVICES

TRAVEL BULLETIN # 11, FY08

**SUBJECT:** Privately-Owned Vehicle Mileage Reimbursement (FTR Amendment 2008-05; FTR Case 2008- 304; Docket 2008-0002, Sequence 3)

**EFFECTIVE DATE:** August 1, 2008

**EXPIRATION DATE:** Effective until canceled or superseded

**BACKGROUND:** The General Services Administration (GSA) is responsible for establishing the privately-owned vehicle (POV) mileage reimbursement rate. Separate rates are set for airplanes, automobiles (including trucks), and motorcycles. GSA conducts periodic investigations of the costs associated with operating a POV and uses the results to set the mileage rate for using a POV while on official travel.

**PURPOSE:** To announce an amendment to the mileage reimbursement rate for use of a POV.

**PROCEDURES** Page 43627, Federal Register, Volume 73, No 145, dated Monday, July 28, 2008, contains amendment 2008-05 to the Federal Travel Regulation (FTR).

Amendment 2008-05, changes 41 CFR Part 301-10.303 to increase the mileage reimbursement rates for POVs, as follows:

- (1) Aircraft - \$1.26
- (2) Motorcycle - \$0.585
- (3) Automobile - \$0.585

This change affects the mileage reimbursements for POVs when that mode of transportation is authorized or approved as more advantageous to the Government.
